

Meeting & Agenda Deadline	Issue	Information/Committee Role
<p>NOTE 1: The committee's new 'Place' remit includes Regeneration, Town Centre, Leisure, Planning, Parks/Open Spaces, Crematorium/Cemeteries, Market, Street Cleansing and Environmental Health</p> <p>NOTE 2: the two Directors who support this Committee take it in turns to attend, so the items are geared towards which Director will be there. The last meeting (24 April 2018) had items relevant to the Director of Economic Growth, but he could not attend. This means the first meeting will probably have issues for the Director of Place and Well-being.</p>
