

Securing Notts. County Council Supporting Local Communities grant means we can buy a Youth Shelter!

The shelter is for the young people of Mansfield Woodhouse - so it's up to you to take care of it .

- * Bluetooth technology plays music direct from a mobile or tablet.
- * Self-powered LED lighting, via foot pedal power.
- * Steel construction, easy to clean.

1. Which of these two locations do you think will be best for the shelter? Please tick the photo.

Near Skate Park?

On the Playground?

1. What colour would you chose? (It only comes in these two options!)

Red / Grey	
Blue / Grey	

2. What features could there be around the shelter (we don't currently have funding for these, but will be trying to secure more) Please tick.

Concrete balls or spheres? Relocated from Mansfield market place.
